PROGRAMME

1ST CONFERENCE OF THE POLISH AIR FORCE

08:30 | Official opening of the Air Force Conference, “Flight Training”

09:00 | **Panel I The Aviation Education and Training System in the Context of the Needs of the Modern Air Force**

Presentations devoted to experiences gained from introducing the integrated M-346 “Bielik” aircraft and SW-4 “Puszczyk” helicopter flight-training systems into service with the Air Force, as well as an overview of the system’s current capabilities, requirements and development directions.

09:00 – 09:15 | Director of the Department of Military Education
Brig. Gen. Pilot Waldemar Gołębiowski, PhD, Eng.

09:15 – 09:30 | Rector-Commandant of the Polish Air Force University
Brig. Gen. Pilot Krzysztof Szymaniec, PhD, Eng.

09:30 – 09:45 | Commander of the 4th Air Training Wing
Col. Pilot Łukasz Piątek

09:45 – 09:55 | Representative of Leonardo

09:55 – 10:05 | Representative of Leonardo PZL-Świdnik

10:05 – 10:15 | Representative of Kopipol

10:15 – 10:30 | Coffee break

10:30 | **Panel II Preparing Aviation Personnel to Perform Operational Tasks**

The organisation and enhancement of training for pilots, instructors, technical personnel and support staff. Integration of academic education with practical training at aviation units, the use of simulators, and the implementation of modern training methods and technologies.

10:50 – 12:00 | Panel discussion with invited guests

12:00 – 12:20 | LAD workshop: The Future of Flight Training—The Potential of the M-346 Block 20 Advanced Trainer and Light Combat Aircraft

12:20 – 12:30 | Q&A session

12:30 – 12:40 | Transfer to the hangar

12:45 – 13:00 | Signing of the Memorandum of Understanding, accompanied by an address

13:00 – 14:00 | Lunch break

14:00 | **Panel III Technical Support and Aircraft Maintenance in the Flight-Training Process**

The organisation of the operation, maintenance and repair of aircraft and training systems. Ensuring equipment serviceability and availability, training technical personnel, cooperating with manufacturers, and incorporating operational experience into the training process.

14:00 – 15:05 | Panel discussion with invited guests

15:05 – 15:15 | Leonardo PZL-Świdnik workshop

15:15 – 15:30 | Q&A session

15:30 – 15:45 | Coffee break

15:45 | **Panel IV Aviation Logistics as the Foundation of Training Continuity and Safety**

Material and infrastructure support for flight training, spare-parts and supply-chain management, operational requirements planning, and cooperation between the Armed Forces and industry in the field of logistics support.

15:45 – 16:45 | Panel discussion with invited guests

16:45 – 17:00 | Q&A session

17:00 | Closing of the conference

Conference organized as part of the 10th anniversary celebrations of the introduction of the M-346 “Bielik” integrated flight training system and the 20th anniversary of the SW-4 “Puszczyk” helicopter.
